

STATE OF DELAWARE

OFFICE OF THE GOVERNOR

PROCLAMATION IN OBSERVANCE OF WINDOW FILM DAY

Whereas, window film when professionally installed on existing windows aids in the savings of significant energy and the reduction of carbon emissions; and

Whereas, window film provides a more safe and secure environment for residences, public buildings, and commercial establishments; and

Whereas, window film helps to screen out dangerous UV rays to help protect skin from cancer and eyes from glare; and

Whereas, window film provides job opportunities for people to serve their communities; and

Whereas, nearly 80 percent of all Window Film in the world is manufactured in the United States by leading companies and offers significant economic benefits at all levels from employment to energy savings to improved health to the reduction of our carbon footprint.

*Now, Therefore, We, John Carney, Governor,
and Bethany Hall-Long, Lieutenant Governor,
do hereby declare April 30th, 2022*

WINDOW FILM DAY

in the State of Delaware, and urge all citizens to recognize the essential role that window film plays in our everyday safety.
